

# Meeting Minutes

Date: April 17, 2019

By: Jean Davids, Secretary

The meeting began shortly after 7:00 pm and was presided over by president Heather Reinhart. We had 12 members and 2 guests in attendance.

The assignment, "Say Farewell to Winter", was delayed/combined with the May assignment of "Think Spring" due to Jean's wrist surgery and inability to drag in all the equipment needed to display them.

Election Results were announced. Sharon Johnson will be on the Board another two-year term. Thanks for your continued service and willingness to run again. The other position is Secretary and Jean Davids will continue in that role.

Rick Lockhart stepped up to help show how to edit images to be Black & White for our May meeting. Jean Davids has some good videos on the topic and can share what she has learned, too.

Steve Fowler shared his experiences of doing multiple exposures in camera for creative effects and listed examples of what he has done. Thanks for that Steve.

We discussed the upcoming June meeting where we will be shooting photos of the cars owned by the local Corvette Club. It was decided to keep the venue at River City Extreme for everyone's convenience. We will continue to work on these arrangements, as time gets closer. Jean Davids agreed to contact River City Extreme to insure that this is okay with them as well. (*Note: I did and they are.*)

The topic was a Group Q&A. After asking about general questions, we gathered in groups by camera gear and did open discussion about any questions or gear questions. Many brought their camera gear. Jean was able to attend she and Jeff LaVigne shared information regarding iPhones and iPad photography with those interested.

**2019/2020 dues need to be paid no later than the May meeting.** Please fill out forms and submit payment to Aaron and payable to Monticello Camera Club. Forms are needed so it can more easily be recorded. If no address/contact info has changed you can just fill in SAME across that portion of the form.

## Upcoming Meetings

May 15

- Assignment: Think Spring
- Topic: B&W – Jean Davids/Rick Lockhart

June 19

- Assignment: B&W
- Topic: Cindy Mendel has organized a photo shoot with the Corvette Club. Tips and pointers for doing this will be mailed out in advance of the meeting so that you know what to bring with for equipment. Photo shoot will be done right at River City Extreme out behind the building.

July 17

- Assignment: Automotive/vehicle photos
- Topic: Neutral Density Filters and others
