

# Meeting Minutes

Date: December 15 2021

By: Jean Davids, Secretary/Treasurer

We had 8 members out of the 18 that attended this meeting which was led by Jean Davids. This was our annual holiday gathering so spouses were also invited and 3 attended. Thanks everyone for showing up. Had a great time. As part of this month's meeting, we encouraged everyone to order meals as well as beverages in an effort to thank River City Extreme for being so kind and giving us space to hold our meetings.

The assignment for this month was Best Photos of 2021. We had 5 members who shared some great photos. Two questions arose from this share.

First, what kind of camera settings do you use for taking photos of the moon. We discussed it some but I said I would share a link to explain how to do it. Here's a good link for shooting the moon: <https://digital-photography-school.com/moon-photography-settings/>

Second, how do you shoot action shots like Kevin's motorcycle racing shots. This used panning techniques. Here is a link to explanations on how to do this sort of shot. <https://www.youtube.com/watch?v=QpbTi4cwmn0>

We asked how many want to move to Zoom meetings instead of in-person for the winter due to the resurgence of covid recently. It seemed like the majority of the 8 members said yes. Although it was either/or in some responses. I said that I will send out a note to all our members and ask their preference. I (Jean) personally feel it would be prudent to switch to zoom at least until spring or until things calm down in the covid arena again. We will update you before the next meeting. Anthony said he can handle doing his presentation via zoom so either way we are covered.
