

Meeting Minutes

Date: July 20, 2022

By: Jean Davids, Secretary/Treasurer

I'm very late with these minutes but here goes. We had 4 of 17 members attend our meeting which was led by Jean Davids. We did have a few photos to share but not many. Jean opted to skip the equipment and just share to the small group on her laptop. The assignment was old time photos or pinhole camera. Old time photos is what was displayed by Kevin and Jean.

We had 7 people share some of their best photos. These photos are being accumulated to create a video that can be used to promote the club for our website, and through events that we hope to coordinate with Monticello Arts. We hope to include some bio information from our photographers as well. It doesn't have to be much; just your name, where you are from, and what kind of photography you enjoy most. We really need the rest of you to step up and share some photos for us to use.

No topic for this meeting. Instead, the 4 of us (Kevin, Jean, Darrell and Bob) all headed over to Montisippi Park to take photos. These photos will be shared at the next meeting.

That's all.
